

SANDWICH PLATE

TYPE EC...313

END PLATE

TYPE EC333

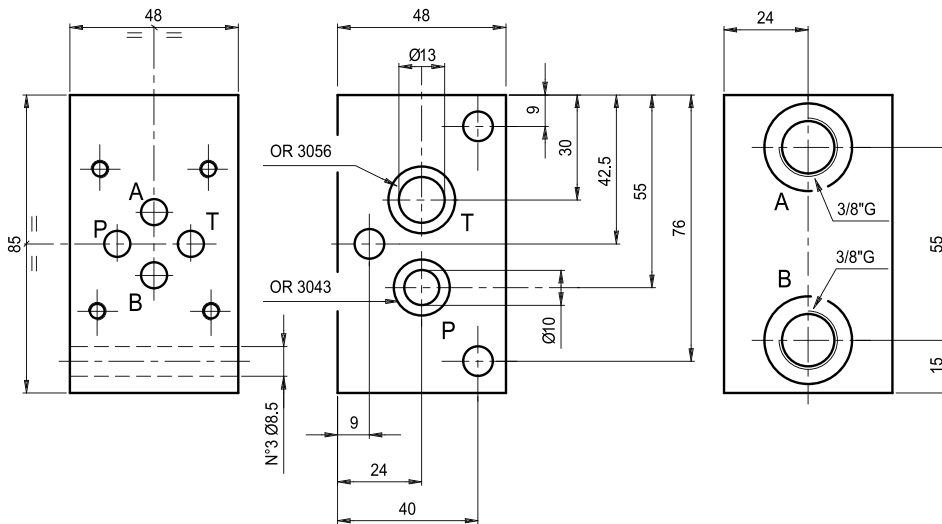

BASE INTERMEDIA

TIPO EC...313

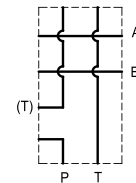

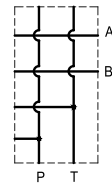

BASE DI CHIUSURA

TIPO EC333

Sandwich plate for parallel or series connection, 3 tie rods. Weight 1.2 kg
 Base intermedia in parallelo o in serie da 3/8"G (vers. 3 tiranti). Peso = 1.2 Kg

Hydraulic symbol
parallel connection
Schema idraulico
in parallelo

Hydraulic symbol
Series connection
Schema idraulico
in serie

Ordering code:

Esempio di ordinazione: **EC** * **3** **1** **3**

sub plate for packing = C
 Base componibile =

(if not indicated) = parallel
 (Se non indicato) = parallelo
 for series = S
 Serie

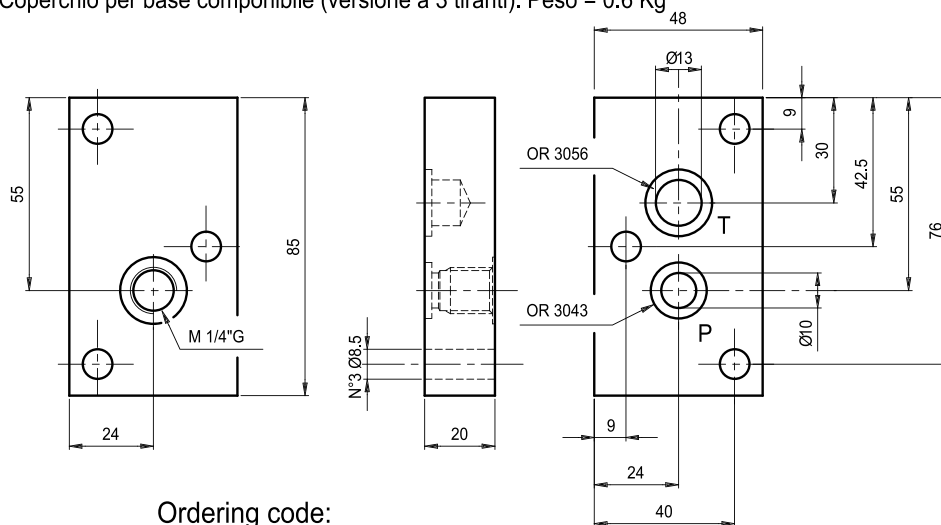

CETOP 3

1 = Sandwich plate
 = Base intermedia

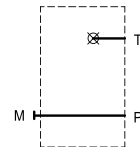

3 = for 3 tie rods
 = versione 3 tiranti

Endplate for 3 tie rods

Coperchio per base componibile (versione a 3 tiranti). Peso = 0.6 Kg

Hydraulic symbol
Schema idraulico
